## AMERICANS THROWN IN JAIL.

United States Residents on Island Excited Over Occurrence.

Havana, July 18.—American residents of the Isle of Pines are excited over the imprisonment in the common jail at Nueva Gerona of Miss Millie Brown, 19 years old; L. C. Giltner, postmaster of the town, and William Augustine, all Americans. The three, for their own instruction and amusement, had constructed a toy telegraph line 1,800 feet long, strung from Giltner's store to the residence of the other two. They were arrested without warning, charged with the violation of an old military order prohibiting other than government telegraph lines, tried by a newly appointed judge and sentenced jointly to pay a \$500 fine or to a joint term of imprisonment of 100 days.

All refused to submit to the payment of the fine, and were taken to jail to serve 33 days each. The jail has no accommodation for female prisoners.

The Cuban government has no report of the incident, which is reported by Americans who have arrived here from the Isle of Pines.

## Saved His Comrade's Life.

"While returning from the Grand Army Encampment at Washington City, a comrade from Elgin, Ill., was taken with cholera morbus and was in a critical condition," says Mr. J. E. Houghland of Eldon, Iowa. "I gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy and believe saved his life. I have been engaged for ten years in immigration work and conducted many parties to the South and West. I always carry this remedy and have used it successfully on many occasions." Sold by all druggists.

## One Dead; One Fatally Injured.

Pittsburg, July 18.—In a fire at the Hotel Park early Tuesday morning one was burned to death, and another was fatally injured and seven were overcome with smoke and were rescued from asphyxiation. The flame was caused by a burning gas jet and was discovered by a policeman who tried to send in an alarm from several boxes before the fire department responded.

## Are Charged with Murder.

Athens, Ga., July 18.—Henry Wood and Pattie Watkins, negroes, have been arrested on the charge of having murdered Linton Williams, a young white farmer, on his plantation near Hull, Ga., on the night of February 9, 1905. Their arrest is the culmination of almost eighteen months' work on the part of City Marshal Loyd E. Brooks, of this city. At the time the body of young Williams was found it was believed by many that it was a case of suicide, and yet no motive could be assigned for such a deed. The father of the young man always believed his son had been murdered and offered a reward of \$250. To this sum the state added \$200 for the first party convicted and \$100 for each subsequent conviction. This brings the total to \$550 if the two negroes are convicted.

## Threw Brother into a Well.

LaGrange, Ga., July 18.—A case of youthful degeneracy among two little negroes came to light last week at the place of Martin Dye, near Glee, in this county. Joe Bollard, living on this place, had two little boys, aged 9 and 5 years. The elder boy stole a watermelon and to keep the younger from telling on him, threw him in a well, in which was very little water. After 12 hours the little negro was rescued. The father gave the older boy a severe whipping and left the house, whereupon the older boy got a razor and almost disemboweled his little brother. The little boy lingered on until Saturday night, when he succumbed to his wound.

## The Smile

That won't come off appears on baby's face after one bottle of White's Cream Vermifuge, the great worm medicine. Why not keep that smile on baby's face. If you keep this medicine on hand, you will never see anything else but smiles on his face. Mrs. S. —, Blackwell, Okla., writes: "My baby was peevish and fretful. Would not eat and I feared he would die. I used a bottle of White's Cream Vermifuge and he has not had a sick day since." Sold by W. M. Johnson.

## Assailant of Mrs. Chapin.

Bartow, Ga., July 18.—A few days ago J. E. Palmer, marshal of Bartow, arrested a negro here as a suspicious character, and from answers to questions and from a letter on his person, Mr. Palmer suspects that he was from Akin, S. C. Further probing brought a confession from the negro that his name was Ed Johnson, and that he assaulted Mrs. E. J. Chapin, in Aiken county. Mrs. Chapin offered a reward for the negro and the sheriff is now here to take him to South Carolina.

## Bowel Complaint in Children.

During the summer months children are subject to disorders of the bowels which should receive careful attention as soon as the first unnatural looseness of the bowels appears. The best medicine in use for bowel complaint is Chamberlain's Colic, Cholera and Diarrhoea Remedy, as it promptly controls any unnatural looseness of the bowels. For sale by all druggists.
